Additional Items

Students will need the following items. These are a one-time purchase.

Shoes- All students must have band shoes. These are typically around \$20 and the order will be placed in early August

Jacket- All students are required to have a black band jacket. This is a secondary uniform. The order will be placed in late August. Cost is \$40.

New Booster Members Wanted!

The Band Boosters are always looking for new members. Booster meetings are the first Tuesday of the month and meetings are held in the band room.

There are things you can help with at any level. A marching band season can only be as successful as its parent volunteers. You can help a little, or a lot; but please consider helping. Below is a list of ways you can help! If you would like to help or have any questions please email Amanda Long at mandyl7712@gmail.com or john.oliver@carlisleindians.org

Ways you can help

- Work the concession stand at home football games
- Chaperone football games, contest, or any band event
- Donate food/ help prepare meals before competitions
- Washing/Maintaining uniforms
- Helping with fundraisers
- Helping Build Props
- Be a part of our pit crew, moving equipment on and off the field and games and contest

Carlisle Band CCP Policy

This policy will go into effect with the start of the 2019-2020 school year.

Students who wish to take College Credit Plus Classes may do so and still be involved in the band program under the following circumstances:

- Students must be in the band class unless you're in CTC or you have a CCP class that only meets during that period. If this is the case, documentation will need to be provided
- Make an effort to Schedule all CCP classes at times other than band times
- If a class is offered during a non band time, it must be taken then.
- Accomodations can be made as long as information is relayed to Mr.Oliver

For some students it will be a challenge to meet all of these stipulations. Some students will have to make the difficult decision to choose band or CCP. There is no other way around it at times, but it is not fair to the other students in the program who contribute 100% of their time.
